Sir:

Due to a typographical error in the Declaration, an incorrect serial number for the priority document for the present application was indicated on the Official Filing Receipt. An Application Data Sheet is being concurrently filed via the EFS to correct this typographical error in the priority claim for this National Stage Application so as to conform to the priority claim made in the parent PCT application PCT/FI99/01083, i.e., Finnish application serial no. FI982855 filed on December 31, 1998.

Applicant submits herewith the verified English translation of Finnish Patent Application No. 982855, filed December 31, 1998 to thereby perfect his claim to priority under 35 U.S.C. §119(a) and to antedate the Cheng et al. reference (US6,738,909) applied in an unpatentability rejection of claims 18-19 and 26-27 in the Office Action mailed December 19, 2007.

Date: June 19, 2008

Respectfully submitted,
